

Agency of Human Services – Barre District Office

We'll do whatever we can to prevent homelessness in Central Vermont

Is someone on your caseload on the verge of losing their housing or already homeless? There are some things you can do right now:

- _____ Refer, or bring, them to the Rental Opportunity Center on Tuesdays from 10:00 am to 12:00 noon located at the Central Vermont Community Land Trust, 107 North Main Street, Barre – 476-4493 extension 231.
- _____ Has the family applied for financial assistance through the Economic Services Division of DCF? If not, call 479-1041.
- _____ Have you checked the AHS Screen Door? If not, go to www.screendoor.vermont.gov
- _____ Have you called 211? 211 keeps a daily log of all the emergency shelter beds in the state and can tell you where there are openings.
- _____ Have you contacted Dianne Munson, the housing specialist, at Central Vermont Community Action Council at 479-1053?
- _____ Have you considered a referral to the Continuum of Care for a staffing of the person's situation? Permission from the family is needed – contact Don at 479-7594 or don.mandelkorn@ahs.state.vt.us for details.
